Delta Dental PPO

Over 76,000 dentists in over 143,000 locations participate in the Delta Dental PPO program. Delta Dental will provide the highest level of benefits for covered services when care is received from a Delta Dental PPO provider. These providers agree to:

- **Accept payment based on a reduced fee schedule**, reducing your out-of-pocket expenses.
- Submit dental claims for members and abide by Delta Dental's policies.
- Charge members only their deductible, co-insurance and costs for non-covered services at the time of visit because Delta Dental pays the dentist directly.

Your out-of-pocket expenses may be lowest when you see a Delta Dental PPO provider.
