

## Give yourself a pay raise.

### Use flexible benefits to bring home more of your paycheck.

Who couldn't use a little more money? That's what you'll receive when you take advantage of a flexible spending account (FSA).

An FSA allows you to set aside a portion of your salary, before taxes, to pay for qualified medical or dependent care expenses. Because that portion of your income is not taxed, you end up with more money in your pocket.

#### Getting money from your account is simple.

##### Healthcare Flexible Spending Account (FSA)

A Healthcare FSA allows you to budget and save for qualified medical expenses incurred over the course of your upcoming plan year. It is a great savings tool for you and your family. The expense must be primarily to alleviate or prevent a physical or mental defect or illness and cannot be reimbursed by insurance or any other source. Your entire election amount is available the first day of your plan year.

##### Eligible Expenses Include

- Prescription Medicines and Drugs
- Hearing Aids
- Orthopedic Goods, Prosthetic Devices
- Doctors
- Dentists, Orthodontics
- Osteopaths

\*As of 1-1-2011 some over-the-counter items will require a doctor's prescription in order to be eligible under the FSA

##### Dependent Care Account (DCA)

A Dependent Care Account is a simple way to save money on care for your dependents. It allows you to set aside pre-tax dollars to pay for day care expenses. The annual IRS limit for this type of account is \$5,000. If you are married and file separate returns, you can each elect \$2,500 for the calendar year. To be eligible for this type of account, both you and your spouse (if applicable) must work, be looking for work or be full-time students. You may receive reimbursement up to the current balance in your account at the time the request is made.

##### Eligible Dependents

- Children under age 13 who are claimed as a dependent for tax purposes
- Disabled spouse or disabled dependent of any age

##### Ineligible Expenses

- Costs claimed as a dependent care tax credit on your tax return
- Services provided by one of your dependents
- Expenses for nighttime babysitting
- Expenses paid for school (Kindergarten and above)
