

Dear Pattonville 5th Grade Families,

The Instrumental Music Department will be visiting each elementary school throughout January and February to introduce band instruments to all 5th graders! We are excited to offer band as one of the daily music course options in 6th grade, and will be helping students determine which instrument might be a good fit for them. This information will be valuable when the time comes to register for middle school classes.

In addition to the elementary school visits, there will a **parent meeting on Wednesday, January 30 from 6:30-7:30 PM** in the Pattonville HS Band Room (A001—lowest level of the auditorium building, closest to Creve Coeur Mill Rd. 2497 Creve Coeur Mill Rd. Maryland Heights, MO 63043) Parents and students will be able to meet with middle school and high school band directors as well as representatives from local music stores who will provide information about rental plans and purchases.

We look forward to seeing all of the students and their families at the meeting on **Wednesday, January 30!**

Sincerely,

PATTONVILLE BAND MUSIC STAFF
