Pattonville School District partners with area swim clubs to provide additional swimming and diving opportunities for the Pattonville families. These programs will be provided through FAST Swim Club and the Clayton Diving Alliance. FAST-Pirates is a satellite program of FAST; a nationally recognized Silver Medal USA Swimming Club that serves the greater St. Louis area. Currently over 300 athletes of different ages and ability levels are members of the FAST family. Whether your goals are focused on water safety, exercise, scoring points at high school conference or state, or going to Olympic Trials, FAST has a place for you! Beginning in September, FAST-Pirates will be offering both Swim Lessons and a Competitive Swim Program at Pattonville High School.

**Start 'em Early, start 'em FAST!**

**FAST-Pirates Swim Lessons**

Our lesson program covers not only basic water safety and proficiency in the water, but also teaches the four competitive strokes: butterfly, backstroke, breaststroke, and freestyle. It is the perfect lesson program for anyone who wants to be safe around the water and/or has the desire to swim competitively in the future. Lessons are for swimmers age 3 years and older. Class sizes are kept small to allow for the most individual instruction possible.

**FAST-Pirates Swim Team**

Since its start in 2003, FAST has quickly risen to an elite level of competition within the Ozark division and has become one of the most dominant teams in the area through their top finishes in championship meets in all age ranges. FAST-Pirates will offer the same FAST experience as its South County counterpart but will be more convenient to people living North of Highway 40. Swimmers will be placed in groups based on their age and ability levels. The Age Group Program will consist of athletes between the ages of 6 &12 who are legal in all four competitive strokes. The Senior Program is for athletes who are capable of swimming all four competitive strokes and who are over the age of 13. Check out our website www.fast-swimming.com and click on the FAST-Pirates tab for more information about pricing and availability! If you have any questions about the program that can’t be found on the website please contact our Business Manager Angie Dorsey at adorsey@fast-swimming.com.

**CLAYTON DIVING ALLIANCE**

The Clayton Diving Alliance (“CDA”) was established in 1980 and runs year-round diving practices and lessons at several locations in the St. Louis area. CDA works with beginners, intermediate divers, and advanced divers. The younger athletes learn the proper fundamentals of diving; many of the older athletes excel at diving at the high-school level; CDA’s best divers compete nationally against the top divers in the country. Every year CDA graduates divers who go on to dive in college. The program’s goal is to provide high-quality coaching and the opportunity to compete, at an affordable cost. Costs are charged by the session and are calculated based on the number of practices per week that each diver participates in. Rates range from $10-$11 per practice depending on the length of the specific practice(s) attended. To register for the Spring 2020 session, call Ron Hobbs at 314-308-5525. For more information about diving instruction, please visit the CDA website at www.claytondiving.com. You can let CDA know you are interested by clicking on the “indoor diving” link on the website and providing requested information. Limited scholarship availability: Clayton Diving Alliance will provide scholarships for a limited number of Pattonville students with demonstrated financial need.
